

# Keep Your Lab Moving

## With Flexible Financing

Leading-edge finance solutions

Founded on the basis of "Solutions for Science," Shimadzu has been a steadfast supporter of the scientific community for **145 years**. Now, more than ever, we understand the need to maintain the highest level of support for you, our customers, as you navigate through the COVID-19 pandemic. That's why we are proud to offer our customers a finance provision through one of the UK's largest independent business finance houses, Propel Finance, to keep your lab running.

### Finance is applicable to all Product lines:

- AA/ICP-MS
- Balances
- Biotech/MALDI-TOF
- EDX-RF/XRD
- Fluorescence
- FTIR
- GC
- GC-MS/MS
- HPLC/UHPLC
- Informatics
- IC
- LC-MS/MS
- Particle Size
- SFE/SFC
- Testing Machines
- TOC/TN/TP
- UV-VIS-NIR

Other items, including Service Agreements, Training, and Consumables, are also eligible.

### Why use finance through Propel?

#### Easy budgeting

Your rental payments are fixed for the period of the term, allowing you to budget with confidence.

#### Keep existing credit lines open

Propel's finance agreements will mean your existing credit lines – such as bank overdrafts & loans – are still available for use.

#### Ease your cash flow

Enables costs to be spread over time.

#### Free up working capital

With no need to pay for products upfront, you can put your capital to work for your other business activities.

#### Immediate access to products

Once the finance is approved, products can be operational in days.
